MID 2020 GITMO UPDATE: 2ND COMPLAINT BY American National Union of The United States of America Against the ROTSCCHILD FAMILY

International/National Uniform Citation: HRT1	No.HRT1-20200416-00009
	
Human Rights Violator and/or city entity number: Rothschild Family	
Full Name or Name of Agency: Rothschild Family at the city of London city-state	
Name of City that agency is domiciled: city of London	
Chain of Title for Respondents: Mayer Anschel Bauer to the Rothschild name beginning in 1760 AD	
City Type: Metropolitan: X Municipal: X Unincorporated:	
NAC Code of City: GZR51 RKKC2	Time: 12:05pm Date: 6/5/2020
Human Rights Article Violated:	
All articles of the Universal Declaration of Human Rights (UDHR) with intent to render the inhabitants stateless to use as collateral as backing for federal reserve notes to which are borrowed into existence at interest from the federal reserve system and for the purpose of stealing the inhabitants' time and intangible property rights.	
Brief Narrative:	
Throughout the Middle Ages the hexagram, was used by Arab magicians and Satanists. The Rothschilds (hereinafter "respondents") are Satanists that adopted the red hexagram when Mayer Anschel Bauer hung a red hexagram in front of their house to identify it. Mayer Anschel then decided to take the name red-schild (Rothschild in German) after the red Seal of Solomon. Two centuries later the hexagram was placed on the Israeli flag, a creation of the respondents. LINK (Page 115)	
ANOTHER GOD TOO	
According to eye-witnesses, who were prominent enough to visit one of the British Rothschild houses, the Rothschildes would've started god too. Satan. They set a place for him at their table (to) The Rothschildes have been Satanists for many generations. The Rothschildes are an important part of the history of the Seal of Solomon (also known as hexagram, Magen David, six pointed star, Star of David). The Seal of Solomon, the hexagram, was not considered a Jewish symbol before the Rothschildes began using it. Throughout the Middle Ages the Seal of Solomon had been used by Arab Magicians, Catholic Magicians, Druid witches and Satanists. One of the few ancient users of the symbol was on the floor of a 1,200 year old Moslem Mosque found where Tel Aviv is today. "In the twelve century an Albanian Jew Moshelem ben Daj, who thought he was the Messiah, used the magical symbol." Because the Rothschildes were Satanists they adopted this powerful magic symbol in 1822 for their coat-of-arms. The name they adopted for their family actually comes from the fact that in the 17th century Mayer Anschel Bauer began hanging out a red hexagram in front of their house to identify it. Mayer Anschel then decided to take the name red-schild (Rothschild in German) after the red Seal of Solomon that they used. Alice Bailey in A Treatise On White Magic, p

What did Kim Clement Proph...
Trump & Kim Clement
What did Clement See?

Prophecy by Kim Clement, April 4th, 2008, Seattle, WA (Read by Donne' Clement Petruska): And they shall say, "but now there is a second President, how can we have two presidents?" An unusual thing, isn't it, says the Spirit of the Lord? Why would it be that one with a double mind would stand up and face the people? No, they shall say "we have two presidents, what do we do now?" Fear not, for God said, as I promised before this is My Nation and I will change things according to the time and season and I told you now I will expose and reveal things that have been hidden so that My Nation can move into this next election and to the next phase with victory and honor and glory, says the Lord of Hosts!

EMIGRATE WHILE YOU STILL CAN

The 3-city-state empire consisting of the city of London, Vatican City and city of Washington claims it is an independent entity that is not subject to any national authority, has its own laws and pay no taxes. The aforementioned empire usurps the monetary, spiritual, and military fate of Nations through the Bank of England located on the city of London corporation (hereinafter "the Crown") to which the monetary interests are controlled by the respondents. [LINK](#)

On June 19th, 1815, Nathan Mayer Rothschild, son of Mayer Amschel Bauer [LINK](#) obtained information that was conveyed through a messenger service that he controlled regarding the outcome of the battle of Waterloo. By driving the sale of British consuls early, he made it appear that Lord Wellington had lost the battle which led to the crash of the London Stock Market. This weakened the Bank of England providing the respondents an opportunity to take control of the Bank of England located on the city of London, the financial district also known as the Crown. [LINK](#)

Then in 1829 the respondents purchased Jerusalem with the stolen bounty from the city of London. When the respondents purchased Jerusalem, the respondents then manipulated the fulfillment of Revelations wherein a six day war was orchestrated in 1967 by the respondents [LINK](#) thereby using the Israeli people as cannon fodder while the respondents strip the land of all its natural minerals and resources using 400 separate mining companies to fulfill the task.

The bonded indebtedness of the world is stolen assets by the Crown and therefore is controlled by the respondents. The Temple Bar is the juristic arm of the Crown and holds an exclusive monopoly on global legal fraud through their Bar Association franchises. The Temple Bar is comprised of four Inns of Court to which are: The Middle Temple, Inner Temple, Lincoln's Inn, and Gray's Inn similar to the Mosaic Law structure.

To have the false Declaration of Independence recognized internationally, Middle Templar King George III agreed in the Treaty of Paris of 1783 to establish the legal Crown entity of the incorporated United States, (the United States of America) placing himself as arch-treasurer which is a grievous violation of the Law of Nations. The Colonies referred to internally as the Crown Temple States. This created the foundation for the U.S. states which are illegal states within the original States of the Union established from 1774 to present time under the Articles of Association and Articles of Confederation. [LINK](#)

The Bar attorneys in the United States owe their allegiance and pledge their oaths to the Crown. All Bar Associations throughout the world are signatories and franchises to the International Bar Association located at the Inns of Court of the Crown Temple [LINK](#) with their global headquarters located at London, England. [LINK](#)

Furthermore, the Crown Bar associations a creation of the respondents "Excerpt written below from Fruit from a Poisonous Tree by Melvin Stamper J.D. Page 58" are actively barring the inhabitants from their original State governments formed into a federal republic having never published a written social compact agreement from the inhabitants which forms the basis of a legal society.

*Col. Edward Mandell House, who was the agent provocateur of Rothschild, the head of the European Central Banks, was assigned to oversee the President and the Congress in the implementation of the central bankers' plans. House is attributed with giving direction and strategy to be implemented by the president and the senators to enslave the American people with the passage of the Federal Reserve Act and Amendments 16 and 17. Support for the legal presumption that the American people had volunteered to participate in the United States democracy was legislated with the 17th Amendment in 1913 in that

participation in federal elections for U.S. Senator established the legal presumption necessary in determining that you were a federal citizen. The scheme also provided for the control of the courts via the 1913 creation of the American Bar Association, whose parent organization was the European International Bar Association, which was the creation of Rothschild. This allowed the International Bankers to control the practice of law, in that the only ones permitted to practice before the courts were those who were educated under their brand of law, which was only Admiralty and Contract law. Common law of the people was to be replaced as it gave the natural man many jurisdictional protections from the bankers' legislation. When the Congress made its first attempt to throw out the common law and replace it with Admiralty law, the Supreme Court rejected the proposed rules of court, explaining that the proposed rules would bring into existence a national police state. So, Roosevelt stacked the high Court and waited for a case upon which the demise of the common law could be accomplished. Erie railroad v. Tompkins came along in 1938 and gave the court the opportunity that the Constitution did not. Thereafter, Common law at the federal level was to be no more."

These facts are proof the respondent-controlled associations are actively rendering the inhabitants to an inferior status of statelessness as defined within the Law of Nations, thereby treating the inhabitants as property. A violation of all 30 Articles of the UDHR.

Quote: Law of Nations-chapter XVIII Establishment of a Nation in a Country

§213. Inhabitants.

The inhabitants, as distinguished from citizens, are foreigners, who are permitted to settle and stay in the country. Bound to the society by their residence, they are subject to the laws of the state, while they reside in it; and they are obliged to defend it, because it grants them protection, though they do not participate in all the rights of citizens. They enjoy only the advantages which the law or custom gives them. The perpetual inhabitants are those who have received the right of perpetual residence. These are a kind of citizens of an inferior order, and are united to the society, without participating in all its advantages. Their children follow the condition of their fathers; and as the state has given to these the right of perpetual residence, their right passes to their posterity.

Further, the respondents bar associations have amended State constitutions as evidenced herein from Judicial Departments to Judiciaries and made it a requirement to be a member of their private membership association to be able to qualify for a position in the newly formed Judiciary. Further, wrote the Florida Bar into the constitution itself without any popular vote whatsoever and have been terrorizing the inhabitants of the State of Florida ever since. This same thing has happened in many States around the same time:

Still today American Bar Association members continue to attack the inhabitants and American Nationals and Residents of The United States of America without provocation thereby using its privately owned police force, outside of any constitution.

Therefore, the respondents are in breach of duty of care for stealing the inhabitants' time to live their lives to do the will of Our Father in Heaven.
